Culinary Experiences

Sea.Fire.Salt. Discover Mai Khao's most entertaining beachside dining experience. Succulent seafood, fiery BBQ's and a tableside Salt Sommelier, our master of flavours, are the inspiration for Sea.Fire.Salt. offering up a unique and sophisticated blend of design, music, lighting and innovative menu selections.

Infinity Dive into Infinity pool bar where mixologists are on hand to concoct martini cocktails, shakes, energisers or revitalisers to taste. Light bites including fresh salads, wraps and charcoal sticks help maintain your energy levels as you revel in beachfront bliss.

The Tasting Room More than a wine cellar, The Tasting Room is the ultimate interactive gourmet dining experience. Indulge in the chef's individually designed menus including specialty cheese and charcuteries, paired flawlessly with the perfect bottle of wine selected by our Resident Wine Guru.

La Sala At breakfast, our signature restaurant helps your day off to a great start with live cooking stations, homemade pastries, fresh pressed juices and a gourmet à la carte selection. At lunch and dinner La Sala comes to life with Italian flair, accenting rustic recipes, Sicilian specialties and Italian and Mediterranean wines. Fine Thai dishes are also on offer, featuring Phuket specialties with all-time national gourmet favourites. A tribute to the two most celebrated cuisines worldwide.

The Tree House Aptly named for the spiral staircase ascending to the bar which winds around an old banyan tree. Take in the views from this lofty height, and enjoy Thai fusion tapas while chilling to lounge mood music in comfy oversized chairs. Daytime gourmet coffees and sorbet teas give way at night to champagne, wine by the glass, mojitos and margaritas.

Dining by Design A romantic dinner in a setting of your choice and a menu tailored to your personal preference. Alternatively, travel through Phuket on our **Thai Culinary Adventure** to learn the secrets of Thai cuisine and get a literal taste of the life and culture of the land.
